SARDINIA, THE TREASURE ISLAND

The emotion you can get from discovering unknown treasures is one of the greatest pleasures that Sardinia can offer. These are treasures deriving from our culture and traditions, so rich and ancient. You can find them in a Carnival merry-go-round, in the secret rituals of the Holy Week, in the magic of a show performed with nuraghi as setting. In each of these treasures you can find a truer and closer Sardinia. Far from usual places and pace. An unexpected Sardinia. Easy to love. Even more beautiful to experience.
