Yes, the accordion stars will be shining brighter than ever this October 23, 2017. We are so honored to have a vast and varied program this year that will include music for everyone. The lineup starts with visionary accordionist and friend to all, Cory Pesaturo, and bookends with a grand finale starring Grayson Masefield and the International Accordion Orchestra under the direction of Professor Joan Sommers. Make sure to read on and see why you should join us for the BEST EVENT YET!

**Cory** is an American musician from Cumberland, Rhode Island. He was accepted on the accordion at the New England Conservatory of Music in Boston, MA, where he became the second person to major in and graduate as an accordionist. Cory became the first American to win a World Accordion Championship since Peter Soave 25 years earlier. He has studied and plays a variety of musical styles including jazz, folk, and classical music. Come help us celebrate Cory's Las Vegas debut.

**Grayson** debuted at the Las Vegas International Accordion Convention in 2015 and was an immediate sensation. Those who were in attendance are still talking about the amazing young man from New Zealand! In 2009 he became the first person ever to win the prestigious Coupe Mondiale Virtuoso Classical and the Coupe Mondiale Virtuoso Entertainment awards back to back in the same year. Grayson has become a sought-after musician and has performed all over the world. We are thrilled to have Grayson and his energetic world-class performance return this year at our 18th Annual Convention.

**Stas** has a warm, positive personality and is both a popular performer and clinician. An acclaimed virtuoso and a native of the Republic of Moldova, he has become a highly respected accordionist. Stas is now an American accordion cheerleader, promoting musical excellence on the bayan/accordion to varied audiences around the world. We welcome our friend and accordionist extraordinaire back to Las Vegas!

**Bruce** enjoys playing rock and roll accordion and excels with a wonderful rock bass accompaniment. Since 2009, he's presented workshops and performed at numerous venues including the Las Vegas International Accordion Convention. Bruce has shared the stage with many musical legends. Currently Bruce is featured with the "Hot Takeout Zydeco/Rock/Blues Band" and is the accordionist of choice for many top Jersey artists' recording sessions. *(Continued on page 2)*

## Accordion Stars – Show of Shows!

*(Continued from page 1)*

**Mary** is a treasured performer, beloved instructor, author, and friend to all. Mary has set the bar high for decades. She performs both nationally and internationally, has released two solo CDs, and is a published author who has done much to promote music in early childhood – carrying the accordion forward to new generations! She is not only extremely knowledgeable but she has a genuine willingness to share, both through her excellent classes and her concert performances. We are excited to have her return.

**Professor Sommers** has become an annual favorite. What the Professor can do with just three short days of rehearsals is as miraculous as the sound she obtains from the orchestra. It is truly inspiring! Professor Emeritus Sommers has been honored numerous times by associations all over the world. Though now retired, Joan continues to teach, conduct & arrange – things she loves to do. Joan will be conducting the Las Vegas International Accordion Orchestra for the tenth year. Thanks, Joan, for your wonderful contributions!

**Kim & Dan** grew up together performing and teaching the accordion and established themselves among the premier accordionists in the world. Their unique ability to play together with exact precision is unparalleled. They have excellent technique and mastery of the accordion. Their performances are charged with vibrant energy and a passion and love that create an experience that will be cherished. Due to overwhelming demand at last year's convention, the Christians are happily returning.

**Steve & Tatiana** are back. The Italian phrase "passione e fuoco," (passion and fire), truly describes the music of singer/musician Steve Albini and musician Tatiana Semichastnaya. Their performances of Italian music fused with jazz and world rhythms have brought them international acclaim. Steve Albini is a multi-instrumentalist and singer. He has performed throughout the U.S. and Europe. Tatiana, the winner of many prestigious competitions, has also performed all over the world. She currently performs in the Las Vegas Cirque Du Soleil show.

**Gordon** is a knowledgeable, skilled, dedicated, "multi-cultural" accordionist. His playing credentials, which include commercials, video tracks, and work with TV shows and stars, would fill an entire page. He maintains a busy schedule performing, teaching, and conducting workshops. Gordon has a great love for music and is a master of the Concerto accordion. Gordon is a treasured performer who has supported and contributed to every convention since the beginning. We gladly welcome Gordon back!

**Pete Barbutti** is an American comedian and musician (playing piano, "cordeen" and trumpet), who went on to become one of the most famous stand-up comedians in history. Pete continues to have a busy performing and traveling schedule. In addition to being a recognized comedian, Pete is a very fine musician who has appeared and worked with many musical legends. Pete contributes greatly to our annual event and is a favorite celebrity. We look forward to seeing and laughing aloud with Pete!

**Gina**, a big thank-you for your inspiration in 1998, for the inception of this wonderful annual event. Gina toured for 12 years with Cunard Lines on the QE II during which time she composed music and sold many of her works. Today she teaches accordion, voice and piano. She has said, "I am proud to present the accordion, as it has been part of my family for three generations!" Thank you Gina for being a friend and a part of the convention for all these years – you inspire us all!

## Why Las Vegas? – MORE FUN & It Really Does Cost Less!

Compare the true cost of attending any accordion hotel event in North America! Add up the following: event fees, travel costs, hotel rooms and meals - these total your true cost. Yes, many say our event fee seems high, but remember it includes 6 wonderful meals and concerts for four phenomenal days, including over 40 workshops, plus after-hours entertainment at Club Concerto!

FYI - costs of rooms and meals in a Marriott, Hyatt, Ramada or other event hotels average \$179 plus tax &

resort fee per night. Add in the meal costs in these hotels for two people for four nights and your expenses can be well over \$1200 even before event fees and travel costs.

Las Vegas, at \$39/47 a night for four nights, plus the resort fee of \$10, plus the cost of breakfast at \$7each, comes to about \$56/64 a night - so the answer is very clear - LVAC is a BARGAIN no matter how you add it up.

All this - plus the largest lineup of world class entertainment - including invaluable workshops, and you will see why the LVAC is by far the least expensive event with the most to offer for your dollar! AND FUN Dress Up Contests too!

OUR PROMISE TO YOU: Attend just once, and you'll discover why people come back year after year saying, "Paul, I don't know how you do it - this event is really first class. What a wonderful week - what a bargain!"
