Dear Mr. Ascani,

On behalf of the Confédération Internationale des Accordéonistes, it's my pleasure to forward you a letter from the Shanghai Music Association Accordion Committee (SMAAC) from China.

They have contacted the CIA in order to transmit their aid through the City of Castelfidardo for the Italian accordion industry. Their letter is attached.

The representant of the SMAAC will contact you very soon in order to sort the delivery.

Yours sincerely,

Confédération Internationale des Accordéonistes
