

## Introduction to the Competition

In order to promote accordion culture, enrich the artistic life of accordion lovers, and promote exchanges and interaction in the field of accordion between China and the world, the 2nd Baidi Cup Online International Accordion Festival in 2022 will be held online through the Internet. The festival aims to give more young people the opportunity to show their elegant demeanor and to provide a stage for accordion lovers of all ages to express their dreams and hopes to the world with accordion.

On the basis of inheriting the successful experience of the first Baidi Cup online accordion competition in 2020, the second accordion festival will continue to innovate and develop.

At the same time, the organizing committee selects the Excellent Teacher Guidance Award and the Excellent Organization Award of the unit and institution, and issues certificates.

In principle, the winning ratio of the first, second and third prizes of this competition is 70% of the total number of contestants. For any group that includes a two-round

competition system, the rate of entering the finals is 50%, and those who enter the finals without winning the first three prizes are awarded the fourth prize. The Organizing Committee reserves the right to adjust the awards according to the registration status and performance level of the contestants.

All contestants' winning prizes will be mailed uniformly by the organizing committee. Among them, players whose delivery address is within China will no longer be charged for shipping, and players whose delivery address is outside the territory should bear the postage by themselves. Regarding the payment currency, the entry fee is paid according to the real-time quotation, and currencies such as Euro and US dollar can be used.
