

2022 Post-convention Survey Results

Thirty (30) days after the convention closed, conventioners were encouraged to “**Rate My Convention.**” The survey also included some open-ended questions related to improving convention activities.

2022 Graphical Presentation of the Survey Results

Survey Summary:¹

- Sixty-eight (68) percent of the conventioners responded to the 2022 survey.
- The green horizontal line is the 50% mark that indicates “**overwhelmingly excellent and/or very good**” except for breakfast and lunch.
- The red horizontal line is the 75% mark that indicates “**excellent, very good, or good**” except for the food logistic.

The NAA committee reviewed the "needs improvement" responses and will consider implementing as many as possible.
